CSCI 3308 Software Development Tools and Methods Final Submission

Title

Snow Much Fun

Members

Hunter Belcher, Matthew Chamot, Colin Chen, Jarrett Philips, Robert Sewell, Sijan Shrestha

Video

https://www.youtube.com/watch?v=82GGwOVgvDo&feature=youtu.be
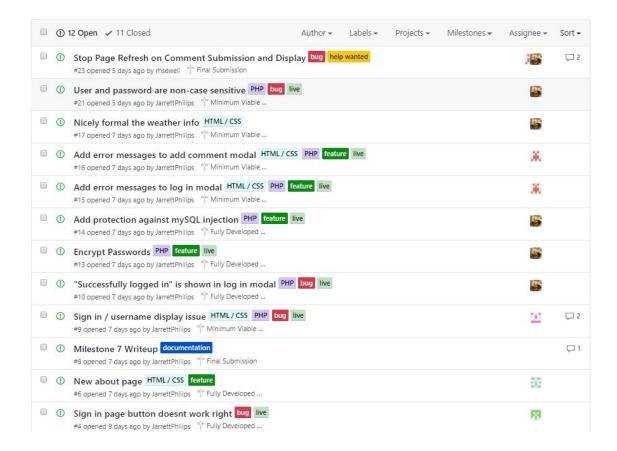

We made a short video showing some of the features of our website. The features are as follows in the video:

- Main page
- Sign up form
- Error messages when a duplicate user is trying to be made
- Sign-up of new user
- Stored user login
- Current weather information on sidebar with dark sky api
- Displaying comments on sidebar for a given location
- Adding a new comment
- Updating sidebar with new comment
- Displaying icons by activity
- Refreshing weather information for new location
- Removing icons by activity
- Logging out
- Signing back in
- Dynamic map using google api
